Objectives

1. To support programmes with measurable, qualitative and quantitative results.
2. To focus on the development and education of Grenada's younger population creating a self perpetuating development cycle for the greater good of Grenada.
3. To break the most critical causes of poverty and associated abuses providing the individual with the opportunity to contribute and flourish in an ascendant Grenada.

3. Promote the advancement of education among citizens of Grenada
4. Assist in the alleviation of poverty.
5. Provide support in caring for the elderly and infirm.
6. assist in providing other social services in Grenada.
